Community Support for a Community for Children

## Modified Capital Campaign

For the first time in its 30-year history, Preschool of the Arts seeks financial support from the community.

Through a Modified Capital Campaign, Preschool of the Arts plans to raise \$400,000 over a five-year period.

The school plans to achieve this goal by building partnerships with corporate sponsors, private foundations and individual donors.

The funds raised will be allocated as follows:

- \$250,000—to enhance educational facilities;
- \$100,000—to encourage and reward excellence in teaching;
- \$50,000—to expand community service and student scholarships.

*"My daughter's wonderful experience of Preschool of the Arts strengthened her desire to discover her world through projects and the arts. During her discovery, I felt compelled to do what I could to give back to the program. The renovation of PSA provided an opportunity to reflect the energy of the program."*

—Denise Clearwood, Architect for PSA renovation.
